

Some 2011 Coaches Comments

We loved playing seven games in two days. Still, the schedule allowed plenty of time for rest. We had a great time at the water park and it was very good for team bonding. The community always treats us great and the officials are always working hard. Thanks again for everything. We are looking forward to next year. **Gary Poyner, Woodland**

It is good at this camp to play teams we normally don't see. The girls real enjoyed hearing Jackie Stiles. Everything about this camp that we have experienced has been great **Jim Newland, Leeton**

The level of competition and the intensity of the matches is great. Everything was very organized and the staff was so helpful; very friendly. We look forward to seeing you next year. **Tammy Whitaker, Louisa-Muscatine, IA**

As always, the camp was very organized. Everything runs on time. We had three teams and you kept all three in the same facility. This allowed us to share players and see all of our teams play. Your staff is so helpful. For us, everything here has been great. **Jill Plassmeyer, Fort Zumwalt West**

The camp organization here is fantastic; the best. You guys do a great job. We loved the whole weekend and thanks for everything. **John Sheridan, Incarnate Word Academy**

After a seven year absence, we made the long trip back and the camp is still as great as we remembered it from back seven years ago. It is a 12 hour drive for us, but well worth it. Excellent organization and scheduling. Thanks! **Ron Alexander, Nashville, AR**

This was another outstanding camp. Our kids and parents appreciate all the extras. The coupons and the free Jackie Stiles clinic our kids were able to participate in are two examples. Our girls came out of the camp pumped up and wanting to improve. **Rick Mosher, Licking**

We don't often get the chance to see good competition in the summer time. This camp gave us all the competition we could handle! Your staff does a great job. We are very satisfied. **Verne Keeny, Davenport West, IA**

You run the best girl's camp around. My kids really enjoyed the instruction from Jackie Stiles and Coach Burnett. The whole experience has been great. **Kim Gladden, Everton**

We love playing teams from outside of St. Louis. We spend the whole summer playing the same people over and over and this is a nice break from that. **Veronica Bretzke, Webster Groves**

Everyone we had contact with at the camp was very helpful and made for a good experience for us at our first year in camp. The competition was great. **James Asberry, Tulsa Webster**

We love this camp and attend every year. It is the best camp we have ever been too. **Jeff Stevens, Kennedy**

We had another great experience this summer at the Licking Summer Camps. The staff takes the time to talk to the coaches and that type of hospitality makes us feel welcome. Another A+ effort. **Lindsey Brinkman, De Soto**

We always have a very competitive schedule when we come to the Licking Summer Camps. This is why we come back every year. You can't beat the price for what an organized camp you get in return. **Tara Bailey, Galena, KS**

We loved the positive vibes at this camp. Everyone works hard to make it both fun and competitive. Another smooth year. **Lacey Hahn, Lexington**

This was our first time in camp and we were impressed with how smooth and organized everything was. We had a great time in Branson. The girls really enjoyed themselves and got to bond and improve as a team and that is what summer camp is all about. **Ian Bullen, Coweta, OK**

For our first year in your camp, we enjoyed the competitive schedule with teams from outside our area. This camp was a great experience and helped us as a team. **Stephanie Reynolds, Bernie**
