

Camp Philosophy:

We are starting shootouts for high school boys because much like our sister camps, *The Licking Summer Camps*, we believe that coaches are paying, what we feel are outrageous fees to colleges for camps that are poorly ran. We feel that we can do a much better job at a much lower rate.

Our camp is designed to provide you and your players an inexpensive, organized and competitive setting for off-season improvement. We will work very hard to schedule your team against teams of equal ability. It does a team no good to go to a summer camp and win every game easily, nor is it beneficial to your team's development to lose every game by a wide margin.

Our Goal:

Our goal is for you to walk out of the gym on Saturday evening saying that our camp is not only the most economical that you have ever attended, but also the very best. If you have a problem, please allow us to fix it to your satisfaction. We want you to be treated well and feel like your selection of our camp is appreciated. If you are not shown courtesy and appreciation by any of our camp workers, supervisors, or officials; we want to know about it. We want you to enjoy your experience at our camp and we will do whatever it takes to make that a reality.

Cost:

Cost is \$295 per team. You bring as many players as you desire, the cost stays the same. Considering the gifts that we give players and coaches, and the quality of competition available; we feel that we will offer the best value in the state of Missouri. Our cost for a team is less than what many colleges are charging for one player!
